

OAKS HOTELS AND RESORTS
PSYCHOZ PUBLICATIONS
2010 CONFERENCE RATES

Oaks Hotels and Resorts have grown to thirty-three apartment hotels nationally and in New Zealand and Dubai. Our property portfolio includes CBD Apartments, high-rise resorts overlooking coastal beaches, villas set amongst acres of tropical landscaping and lagoons plus chateaus surrounded by vineyards. The common link is the professionalism of management, guest satisfaction and the continued drive to achieve exceptional customer service.

Cosmopolitan Melbourne offers something for everyone, from chic boutiques to cool bars and laneway cafes, botanic gardens, sports stadiums, galleries, theatres, elegant Victorian-era streetscapes and Manhattan-style skyscrapers. At Oaks On Market, in the heart of Melbourne, it's all there for you to enjoy. Melbourne's newest 4 ½ star apartment hotel, just off Collins Street in the city's CBD and financial precinct, is temptingly close to the famed shopping arcades and an easy stroll to the Southbank promenade along the Yarra River.
